What is the biggest thing holding your students back from achieving their goals?
The Definition of School Reimagined

Caseism.com

Teachers are no longer "Sage on the Stage" and lessons aren't "Stand and Deliver."
The essential is connectivism

Caseism.com

Flexible learning environments embedded in their communities, with appropriate supports to achieve mastery of competencies along their learning progressions.
Caseism.com

Differentiated Instruction
Taken to a whole new level
Deeper learning and problem solving to develop meaning.

Caseism.com

*Meaning depends on the learner. This is where specific, attainable goals come in.*  
*(SMART)*
