The Status Quo

Traditionally, Healthcare has treated problems physically OR mentally

CaseISM.com
What's wrong with the status quo?

Health Care

Physical

Mental

Medicine, Chiropractic, Physio, etc.

Unleashing Potential

How the RVH model is different

CaseISM.com

Ever tried banging your head against a brick wall?
What are our Fundamentals?

- Functional movement
- quality over quantity
- multidimensional assessment
- treat the cause not the symptom
- Core as a pillar
- recovery vs. rest
- prehab/prevention

What's missing everyone?

CaseISM.com
Performance Modalities

- Kinesiology
- Chiropractic
- Naturopathic Medicine
- Biomechanics
- Massage
- Psychology
